INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of
Caldwell International Securities Corporation

We have audited the accompanying statement of financial condition of Caldwell International Securities Corporation, as of March 31, 2011, and the related statements of income, changes in shareholder's equity, changes in liabilities subordinated to claims of general creditors, and cash flows for the year then ended that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Caldwell International Securities Corporation, as of March 31, 2011 and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was made for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in the Schedules I and II is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

CALDWELL INTERNATIONAL SECURITIES CORPORATION

Notes to Financial Statements

March 31, 2011

Note 1 - Summary of Significant Accounting Policies

Caldwell International Securities Corporation (the "Company") was incorporated in the Commonwealth of the Bahamas on July 27, 2000. The Company is a broker-dealer in securities registered with the Securities and Exchange Commission ("SEC") and is a member of the Financial Industry Regulatory Authority ("FINRA") and the National Futures Association. The Company operates under (SEC) Rule 15c3-3(k)(2)(ii), which provides that all funds and securities belonging to the Company's customers would be handled by a clearing broker-dealer. The Company's principal business activity is the sale of securities. The Company's customers are located throughout the United States.

Purchases and sales of securities are recorded on a trade date basis. Commission revenue and expense are recorded on a settlement date basis, generally the third business day following the transactions. If materially different, commission revenue and expense are adjusted to a trade date basis.

Substantially all the Company's cash is on deposit at one financial institution and the balance at times may exceed the federally insured limit. Due to the strong credit rating of this financial institution, the Company believes it is not exposed to any significant credit risk to cash.

Depreciation is provided using the straight-line method over a seven year period.

Compensated absences have not been accrued because the amount cannot be reasonably estimated.

Income taxes are provided for the tax effects of transactions reported in the financial statements and consist of taxes currently due. The provision or benefit for federal income taxes differs from the expected amount using statutory rates because certain expenses included in the determination of net income are non-deductible for tax reporting purposes.

Income tax returns are generally subject to examination by the respective federal and state authorities over various statutes of limitations generally three to five years from date of filing.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

CALDWELL INTERNATIONAL SECURITIES CORPORATION

Notes to Financial Statements

March 31, 2011

Note 2 - Clearing Agreement with Off-Balance Sheet Risk

The Company's customers may enter into various transactions involving derivatives and other off-balance sheet financial instruments. These financial instruments include futures, forward and foreign exchange contracts, exchange traded options and mortgaged-backed to-be announced (TBA's) securities. These derivative financial statements are used to meet the needs of customers and are, therefore, subject to varying degrees of market and credit risk.

Since the Company enters into the aforementioned transactions only for the benefit of its customers, the Company does not bear any of the credit or market risk of those customers, with the exception of the risk to the Company should its customers fail to honor their obligations related to these derivatives and other off-balance sheet financial instruments, as mentioned below.

To facilitate the aforementioned transactions on behalf of its customers, the Company has entered into an agreement with another broker/dealer (Clearing Broker/dealer) whereby the Company forwards (introduces) customer securities transactions to the Clearing Broker/dealer, fully disclosing the customer name and other information. The processing and, if applicable, any financing pertaining to the introduced transactions are performed by the Clearing Broker/dealer. The customer account is therefore maintained and recorded in the books and records of the Clearing Broker/dealer on the Company's behalf. The agreement may be terminated by either party with 90 days prior notification. The Company is required to have a \$75,000 deposit with the Clearing Broker/dealer to assure the Company's performance under the agreement and this amount is included with "Receivable from broker/dealers" on the statement of financial condition. In addition, the Company is prohibited from entering into similar agreements without written consent of the Clearing Broker/dealer. The Clearing Broker/dealer may terminate this agreement by giving 45 days prior written notification or 5 days written notification with cause. The Company may terminate with 60 days prior written notification only in the event that the Clearing Broker/dealer materially defaults on its obligation to the Company.

In addition, the Company has also entered into an agreement with a Futures Commission Merchant ("FCM") as a guaranteed introducing broker to forward (introduce) customer transactions involving the purchase and sale of futures, forward and foreign exchange contracts and other financial instruments to FCM, fully disclosing the customer name and other information. The processing and, if applicable, any financing pertaining to the introduced transactions are performed by FCM. The customer account is therefore maintained and recorded in the books and records of FCM.

CALDWELL INTERNATIONAL SECURITIES CORPORATION
Notes to Financial Statements
March 31, 2011

Note 2 - Clearing Agreement with Off-Balance Sheet Risk, continued

on the Company's behalf. This agreement may be terminated by either party with 30 days prior notification.

In consideration for introducing customers to both the Clearing Broker/dealer and FCM, the Company receives commissions and other consideration, less the processing and other charges of the Clearing Broker/dealer and FCM. As part of the terms of the agreement between the Company and Clearing Broker/dealer, the Company is held responsible for any losses arising when the customers introduced by the Company to the Clearing Broker/dealer fail to meet their contractual commitments pertaining to the purchase, sale and possible financing of securities transactions and other financial instruments. The Company may therefore be exposed to off-balance sheet risk in the event the customer is unable to fulfill its contracted obligations and it is necessary for the Clearing Broker/dealer to purchase or sell the securities or other financial instruments at a loss. The Company's exposure to risk would consist of the amount of the loss realized and any additional expenses incurred pertaining to the transaction or other customer activity.

Note 3 - Net Capital Requirements

Pursuant to the net capital provisions of Rule 15c3-1 of the Securities Exchange Act of 1934, the Company is required to maintain a minimum net capital, as defined under such provisions. Net capital and the related net capital ratio may fluctuate on a daily basis. At March 31, 2011, the Company had net capital of approximately \$76,913 and net capital requirements of \$5,000. Company's ratio of aggregate indebtedness to net capital was .82 to 1. The Securities and Exchange Commission permits a ratio of no greater than 15 to 1.

Note 4 - Possession or Control Requirements

The Company does not have any possession or control of customer funds or securities. There were no material inadequacies in the procedures followed in adhering to the exemptive provisions of (SEC) Rule 15c3-3(k)(2)(ii) by promptly transmitting all customer funds and securities to the clearing broker who carries the customer accounts.

CALDWELL INTERNATIONAL SECURITIES CORPORATION

Notes to Financial Statements

March 31, 2011

Note 5 - Note Payable to Shareholder

The Company has a \$50,000 note payable to the Company's sole shareholder. Terms of this note state that any outstanding balance bears an interest rate of 10% and is due on demand. The remaining balance at March 31, 2011 is \$49,367.

Note 6 - Subsequent Events

In preparing the accompanying financial statements, the Company has reviewed events that have occurred after March 31, 2011, through May 13, 2011, the date the financial statements were available to be issued. During this period, the Company did not have any material subsequent events.

The Company has claimed an exemption from Rule 15c3-3 under section (k)(2)(ii), in which all customer transactions are cleared through another broker-dealer on a fully disclosed basis.

Company's clearing firm: Southwest Securities, Inc.

Independent Auditor's Report

on Internal Control

Required By SEC Rule 17a-5

Year Ended March 31, 2011

INDEPENDENT AUDITOR'S REPORT ON INTERNAL
CONTROL REQUIRED BY SEC RULE 17a-5

To the Board of Directors of
Caldwell International Securities Corporation

In planning and performing our audit of the financial statements and supplemental information of Caldwell International Securities Corporation (the "Company"), as of and for the year ended March 31, 2011 in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by rule 17a-5(g)(1) of the Securities Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of compliance with such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g) in making the periodic computations of aggregate indebtedness and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by rule 17a-13
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial

statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Company's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and was not designed to identify all deficiencies in internal control that might be material weaknesses and therefore, there can be no assurance that all material weaknesses have been identified. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at March 31, 2011, to meet the SEC's objectives.

This report is intended solely for the information and use of Board of Directors, management, the SEC, the Financial Industry Regulatory Authority, and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

Dallas, Texas
May 13, 2011

Independent Auditor's Report
On The SIPC Annual Assessment
Required By SEC Rule 17a-5
Year Ended March 31, 2011

INDEPENDENT AUDITOR'S REPORT ON THE SIPC ANNUAL
ASSESSMENT REQUIRED BY SEC RULE 17a-5

To the Board of Directors
Caldwell International Securities Corporation

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments (Form SIPC-7) to the Securities Investor Protection Corporation (SIPC) for the year ended March 31, 2011, which were agreed to by Caldwell International Securities Corporation and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc. and SIPC, solely to assist you and the other specified parties in evaluating Caldwell International Securities Corporation's compliance with the applicable instructions of the (Form SIPC-7). Management is responsible for Caldwell International Securities Corporation's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursements records entries (cash disbursements journal) noting no differences;
2. Compared the amounts reported on the audited Form X-17A-5 for the year ended March 31, 2011 with the amounts reported in Form SIPC-7 for the year ended March 31, 2011 noting no differences;
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers noting no differences;
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
